

**Evans Consoles Corporation 25th Anniversary
Message from the CEO
March 2005**

Celebrating 25 Years of Excellence

Welcome to Evans Consoles!

It is hard to believe, but this year, Evans Consoles will proudly celebrate 25 successful years of service, providing our clients with the very best in custom console and control room solutions. With thousands of satisfied clients over the last quarter century spanning the entire globe, you can well imagine that it has taken a monumental team effort for Evans to remain the respected industry leader it is today.

Any company has the potential to be more than a collection of people who show up and do their work. At Evans, we are keenly aware that our success rests on our continued commitment to fulfilling a Mission – one that we believe in and act on every day, on every project, with every client, and with our colleagues within the firm: *To simply be the very best in the industry.*

I have seen first-hand the loyalty and dedication my fellow colleagues have shown in their desire to be a part of the Evans family and to strive, each day, to make us better than the day before. It is this dedication that has ensured our product and service quality remains unmatched and our clients remain loyal.

I simply want to thank all our dedicated employees, partners and valued clients for helping us achieve this incredible milestone. I am looking forward to yet another successful 25 years as we continue to grow and improve together.

Sincerely,

**Greg G. Smith
Chief Executive Officer**
